

#### MEGAN MCNIFF

Megan McNiff is a Principal in Mercer's Health & Benefits Business based in the Boston, MA office. She is responsible for interacting daily with a variety of clients in a wide-range of industries, with an emphasis on health care organization. Her work includes the management of benefit renewals, implementations of various insurance and benefits products, financial projections and analyses, overseeing vendor relationships, and resolving client issues on a daily basis.

Megan has worked in the health & benefits industry for over 15 years. She began her career working at Mercer as a Health & Benefits Consultant for Mercer for over 9 years. She has recently re-joined Mercer after spending three years working as a Senior Benefits Manager for Mass General Brigham and then Takeda Pharmaceuticals. During her time as a Senior Benefits Manager, she worked in the Center of Excellence for both organizations and was actively involved in the benefits strategy, design, and compliance of the plan offerings.

Megan graduated from Providence College with a Bachelor of Science in Health Policy and Management. She currently holds Health and Life insurance licenses in several states, and has also completed the CEBS program.
